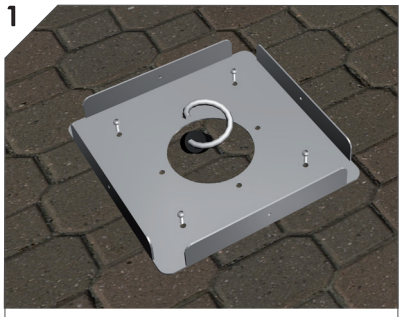
## istruzioni di montaggio diffusore cubo per esterni - *outdoor cube mounting instructions*

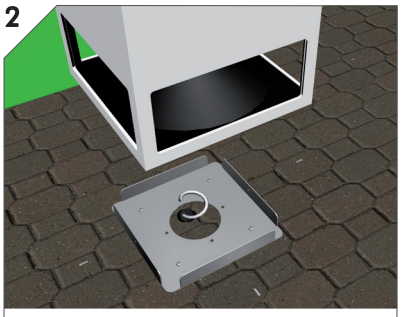
**1**



Fissare la piastra in acciaio inox al pavimento utilizzando appositi tasselli.

*Fix the stainless steel plate to the floor by using the dedicated screw anchors.*

**2**



Collegare i cavi provenienti dall'amplificatore con quelli del diffusore acustico, assicurandosi di rispettare la polarità e che il collegamento sia ben isolato.
*Connect the cables coming from the amplifier to those leading to the speaker. Be sure to match the polarity and that the connection is properly isolated.*

**3**

Posizionare il diffusore acustico sopra la piastra bloccandolo con i 4 grani in dotazione avvitandoli negli appositi fori laterali.
*Position the speaker on the plate and lock it into place by inserting the 4 supplied screws into the dedicated side holes and by tightening them.*
